16 This matter presently is scheduled for a status conference on March 16, 2007, at 2:30 p.m.
17 Assistant Federal Public Defender Jerome Matthews recently entered the case as counsel of
18 record. To date, defense counsel has reviewed much of the existing discovery, which is
19 voluminous, but may also seek additional discovery from the government. Counsel further
20 understands that the Court has made a complexity finding under 18 U.S.C. § 3161(h)(8)(B)(ii).
21 For these reasons, Mr. Ogele and the government STIPULATE AND AGREE that the Court
22 continue this matter to April 27, 2007. The parties agree that the Court should exclude time
23 under the Speedy Trial Act for effective preparation of his defense and, at this stage, maintain its
24 complexity finding.

11 Based on the facts set forth in the foregoing stipulation, the Court finds that there is good
12 cause to continue this matter to April 27, 2007 for a further status conference. The Court
13 excludes time under the Speedy Trial Act for effective preparation of the defense. The Court
14 maintains its existing finding that this matter is complex under 18 U.S.C. § 3161(h)(8)(B)(ii).
